

Your New Sytewise Account

Welcome to Sytewise. Your new account includes information structures and details for organizing your property assets. There are also a series of tools for communicating with vendors, clients, tenants and surveyors.

In this help chapter we will cover the basics of using an account. Here are the topics in order of appearance.

- [Add and Edit Vendors](#)
- [Create A Property](#)
- [Create A Fixture](#)
- [Submit A Work Order](#)
- [Create a Survey](#)
